IMMERSION & GLIDE CENTRE invites you to discover the blue with us on Velassaru Maldives

IMMERSION is our wonderful dive Centre.

Join us and immerse yourself in the liquid world of the Maldives! Velassaru is an island blessed with every element to ensure that you will savour each magical moment in this paradise. However to truly discover the secret of the Maldives, you must step away from the solidity of the beach and break the shimmering surface of the immense and wonderful ocean that touches each point on the horizon before your eyes. This liquid world is the essence of life in this archipelago and each coral reef pulsates with stunning organisms and vibrant colour.

Scuba diving is your ticket to this other amazing world and you merely need to take that magical step and cross the threshold! Discover the freedom of weightlessness, the amazing sensation to be part of a fluid mass shaped by the moon, the sun and the wind and observe the astonishing inhabitants of the coral reef. Expect the unexpected! It is a voyage of discovery like no other.

At IMMERSION, we will be your guide on this incredible adventure. Discover with us the magnificent marine life of the Maldives – huge mantas, green and hawksbill turtles, napoleon fish, barracuda, eagle and sting rays, reef sharks and even dolphins.

And if you are already a diver, we have plenty to offer you:

- a wide selection of more than 60 spectacular dive sites
- a comfortable fast diving dhoni “LIQUIDITY” with toilet and fresh water shower to reach those sites
