

IMMERSION & GLIDE CENTRE invites you to discover the blue with us on Velassaru Maldives

IMMERSION is our wonderful dive Centre.

Join us and immerse yourself in the liquid world of the Maldives! Velassaru is an island blessed with every element to ensure that you will savour each magical moment in this paradise. However, to truly discover the secret of the Maldives, you must step away from the solidity of the beach and break the shimmering surface of the immense and wonderful ocean that touches each point on the horizon before your eyes. This liquid world is the essence of life in this archipelago and each coral reef pulsates with stunning organisms and vibrant colour.

Scuba diving is your ticket to this other amazing world and you merely need to take that magical step and cross the threshold! Discover the freedom of weightlessness, the amazing sensation to be part of a fluid mass shaped by the moon, the sun and the wind and observe the astonishing inhabitants of the coral reef. Expect the unexpected! It is a voyage of discovery like no other.

At IMMERSION, we will be your guide on this incredible adventure. Discover with us the magnificent marine life of the Maldives – huge mantas, green and hawksbill turtles, napoleon fish, barracuda, eagle and sting rays, reef sharks and even dolphins.

And if you are already a diver, we have plenty to offer you:

- a wide selection of more than 30 spectacular dive sites
- a comfortable fast diving dhoni "LIQUIDITY" with toilet and fresh water shower to reach those sites
- post dive refreshments onboard
- an experienced, enthusiastic, multi-lingual, safe and professional fun team
- top quality rental equipment (Scubapro T-Force BCDs & MK2 Evo R195/ R095 regulators)
- nitrox 32% for FREE
- full equipment wash & dry service
- unrivalled safety equipment, systems and training
- a full range of advanced and specialty courses
- single and double dives by boat and night dives in the lagoon
- high quality Bauer and NRC nitrox compressors
- In addition and just for peace of mind, DAN Maldives short term dive accident insurance is available for a small fee

We also provide private diving and private courses for those divers who prefer a more intimate service and/or desire a more flexible schedule.

Still not convinced about scuba diving? Stop by at IMMERSION and have a chat with one of our friendly instructors – they will show you how easy it is to breathe underwater!

IMMERSION

DISCOVER A LIQUID WORLD

Please note: All prices are in US\$ and inclusive of 10% service charge and 16% GST. Beginner courses include all equipment, required study materials & certification and boat fees. Advanced courses include 12 liter tank and weights, study materials, certification, but not boat fees or equipment rental. Diving prices include only 12 liter tank and weights. GLIDE is our amazing beachside water sports and excursion centre.

GLIDE across the surface of the Indian Ocean! New to water sports and even water? The GLIDE team will help you take your first aquatic journey – solo or with an adventurous companion. At GLIDE, we can teach you to fish, paddle, fly, surf, sail, ski, kayak, kite, cat, snorkel, jet, and even swim. The world of wind and water is yours to explore!

Is your quest for speed? Buckle up behind our powerful speedboat "Mercury" and take off waterskiing, knee boarding, wakeboarding or fun tubing.

In search of natural elements? Capture the wind for high-speed escapades on the air/water interface with our excellent windsurfers, kite surfing rigs and catamaran designs.

And if your taste for pace is relaxed, then cruise the lagoon with our modern kayaks – paddle, sail! In the revolutionary transparent glass Molokini kayak you seemingly float submerged in the ocean, surrounded by fish life, but yet remain dry.

Wahoo! Cast away on our daily big game fishing trips with the chance to hook a sailfish, dorado, trevally or other spectacular fish. And if you are after a smaller fish for your dinner, we offer traditional Maldivian fishing over sunset, a wonderful time of day to be on the water.

Whatever your taste for adventure, at GLIDE, you will find a water sport or an excursion to fulfil your passion!

Both at GLIDE and IMMERSION we provide FREE snorkeling equipment. Please simply drop by and we'll outfit you with mask, fins and snorkel. At the same time, the crew will give you some valuable snorkeling and safety tips before you jump in!

Please note: all prices are per person unless otherwise stated and are quoted in US\$ and are inclusive of 10% Service Charge and 16% GST.

SNORKELING EQUIPMENT

Please stop by to collect your complimentary snorkelling equipment	FREE
Life Jacket rental (per day)	11

PLEASE KINDLY NOTE:

All prices for all activities are per person per hour unless otherwise stated. Prices are quoted in US\$ and inclusive of 10% service charge and 16% GST (Goods and Sales Tax). All dive courses run for minimum two people, but private lessons are naturally available on request for an additional fee. For scheduled Marine Biology activities and excursions, we normally require a minimum of four people. However, private charters of our vessels can be arranged with guide subject to availability. Please remember, all participants in all activities do so at their own risk and all water sport activities are subject to weather conditions. We reserve the right to suspend any given activity at any time. Lost or damaged equipment will be charged at replacement cost rates. All participants in all water-based activities are required to complete our liability release and must wear a life vest (except for Scuba Diving!). Proof of sailing licence and/or competency assessment (at a small fee) is required for use of windsurfing, kiting and sailing equipment unless under instruction. Cancellations made less than 12 hours in advance of a booked activity will usually incur a penalty fee that may amount to 50% of the price of the activity.

EXPLORING MARINE LIFE

In the centre we also run many exciting in-water activities that feature Marine Biology as well as providing entertaining and informative presentations. We are also developing a program of Marine Biology projects which will include ongoing research and reef monitoring and have initiated a coral tray adoption program. Interested guests are very welcome to participate in these programs.

Our belief is that you should not leave Velassaru without having the opportunity to discover first-hand the exceptional aquatic life of the Maldives!

DOLPHIN DISCOVERY

Learn the basics about spinners and bottle nose and hop on-board to hopefully watch them in their own habitat on this one and a half hour trip.

Trip (Adult/Kid)	74/37
Private Trip (Max 6 Guests)	510
