Velassaru Cocktails

Welcome to our South Asian Tropical Paradise! Here, we welcome you to take a trip through the lush sceneries and strong tastes of the area's most cherished fruits. Each drink on our menu has been carefully created in honor of these tropical jewels' historical importance, cultural value, and health benefits.

As we explore South Asia's variety of flavors together with mangoes, gooseberries, grapefruits, papayas, coconuts (also known as "the fruit of life"), passion fruits, or bananas.

Indulge yourselves in this delicious journey!

Gooseberry

Gooseberries, also known as amla, are revered in Ayurvedic medicine for their healing properties. They have been cultivated in South Asia for centuries and are associated with vitality and longevity.

Health Benefits: Gooseberries are a powerhouse of vitamin C, promoting radiant skin and strong immunity. They also contain antioxidants that support heart health and reduce inflammation.

Papaya

Papayas are native to South Asia and have been cultivated for their sweet, juicy flesh and medicinal properties. They are often referred to as the "fruit of angels" for their heavenly taste and numerous health benefits.

Health Benefits: Papayas are a rich source of vitamin C, aiding digestion and promoting glowing skin. They also contain enzymes that support gut health and reduce inflammation.

Mango

Mangoes are known as the "king of fruits" in South Asia, where they have been cultivated for over 4,000 years. They hold a special place in the region's culture and cuisine, symbolizing prosperity and abundance.

Health Benefits: Mangoes are rich in vitamins A and C, fiber, and antioxidants, promoting eye health, digestion, and immunity.

Coconut

Did you know that coconuts are also a fruit? Although commonly referred to as nuts, coconuts are classified as a fruit. Specifically, they're classified as a "drupe," which is a type of fruit with a hard, outer shell enclosing the seed. This puts coconuts in the same category as other familiar drupes like peaches, cherries, and plums. So, when you enjoy a refreshing coconut drink, you're indulging in the tropical goodness of a delicious fruit!

Health Benefits: Coconuts are rich in electrolytes, making them an excellent choice for rehydration. They also contain healthy fats that support brain function and metabolism.

Grapefruit

Grapefruits were introduced to South Asia during the colonial era and have since become a beloved breakfast staple. Their tangy flavor and vibrant color evoke feelings of freshness and vitality.

Health Benefits: Rich in vitamins A and C, grapefruits boost collagen production and support immune function. They are also low in calories and high in hydrating properties, making them an ideal choice for weight management.

Banana

Bananas are one of the oldest cultivated fruits in South Asia, dating back thousands of years. They are revered for their energy-boosting properties and are often offered as a symbol of hospitality and prosperity.

Health Benefits: Bananas are a great source of potassium, promoting heart health and muscle function. They also contain fiber, aiding digestion and promoting feelings of fullness.

CIGARS

The Tobacco legend is marked from beginning to end by careful attention, passion and pleasure. As old as time itself, it intertwines life and death, mystery and wealth, from its very origins and throughout its entire existence. The discovery of the New World and the embrace of the two cultures sparked magically and created a unique opportunity for a legend to merge with Modern History.

Cuba is the starting point of this extraordinary event which brings to our times the "Nicotiana Tabacum", transformed into insuperable cigars for the enjoyment of Humanity. The true story of tobacco is therefore one of beauty and drama and has only just begun...
